

# A-T Solutions Signs Lease to Relocate, Expand Operations Center in Fredericksburg

*New location to feature expanded on-site anti- and  
counterterrorism training facilities*

**Vienna, Va., Aug. 5, 2010** – A-T Solutions Inc., a global industry-leading anti- and counterterrorism professional services firm headquartered in Tysons Corner, Va., announced today it has signed a lease for 40,000-square-feet of office space in Fredericksburg, Va., that will become the new home of its operations center before the end of this year.

The new company offices will be located in the Lee Hill II Building at 10304 Spotsylvania Ave., formerly known as the Capital One building, owned by MGP Real Estate, LLC. A-T Solutions plans to develop the space into

a new state-of-the-art training facility that will enhance the company's domestic and international anti- and counterterrorism operations in support of the Department of Defense and other government customers while supporting its expanding corporate functions. The facility will include a secure operations center, a training classroom with 20 computer workstations, a dedicated proposal development center, a company solutions gallery and office space for future expansion.

“2010 has been truly a breakthrough year for our company, and this relocation and expansion of our operational facilities in Fredericksburg mark a significant milestone for us as we continue to grow and provide even greater support for our nation's armed forces and homeland defense customers, both at home and abroad,” said Dennis Kelly, president and CEO of A-T Solutions.

A-T Solutions employees are former military master training specialists, intelligence professionals, explosive ordnance disposal (EOD) technicians, special operations personnel and technologists with unmatched backgrounds in education, training, security, intelligence and technology. Recently, A-T Solutions was awarded both the Fantastic 50 and Future 50 Awards for its rapid growth and development.
